Beezie

The Capping Show

Capping Show is the longest running student comedy show in the world, getting into trouble since 1894!

Capping Show is written by Otago students, and produced by a crew of students and recent grads. Strap in, because you're in for a night of shameless absurdity unlike anything else on the student calendar.

This year's show theme is "Beezie", and scarfie take on the international blockbuster phenomenon "Barbie".

This Beezie is a sponsor!

Capping Show 2024 is proud to partner with **Wests NZ**, the oldest continuous manufacturer of Cordials and Fizzy Drinks in the Southern Hemisphere. Founded in Dunedin in 1876, Wests have been a local institution for even longer the Capping Show, and that's saying something!

The Sexytet

The 2024 Sexytet left to right: Isa de Vries, Oli Morphew, Samantha Elliott, Lexie Tomlinson, Ellena Wood, Ciara O'Hanlon-Boone

Sister group to the Sextet, the Sexytet is going into their 25th year of performance in the Capping Show.

Don't be fooled by their 50's housewife appearance and sweet harmonies; these ladies' lyrics are not so ladylike. As a six-part female vocal ensemble, they write, arrange, and perform material on everything from "IBS" to "crazy ex-girlfriends".

In true Barbie fashion, the Sexytet do everything the Sextet do...backwards and in high heels x

Songs in this years' show

Film Medley, Pioneer girl groups medley, Uptown girl, Billie Medley

The Sextet

The clowns of this year are: Golden Gaystar, Spoonah Wonder, Swiss Army Wife, Silly Goony Spirit Fingers, FrankenScooter and Pitch-Pipe

The Sextet are one of the pillars of the Capping Show, entertaining audiences with angelic voices and less-than-angelic lyrics for a smidge over 100 years.

The Sextet are one of the pillars of the Capping Show, entertaining audiences with angelic voices and less-than-angelic lyrics for a smidge over 100 years. The Sextet is thrilled to be taking to the stage in 2024 for a riotous set, covering genres from Disco to Disney and topics from dick jokes to drugs. The Sextet could not do what they do without the support of OUSA, and can't wait to show Ōtepoti Dunedin what they've cooked up this year.

Songs in this years' show

The Funk Meadly, SuperCal..., TV Themes, The Triumph of the Taniwha

The Selwyn Ballet

The 2023 Selwyn Ballet

First convened in 1928, the Selwyn Ballet is the second oldest amateur ballet troupe in the world.

It began as a Capping Show performance intended to take-off popular London musicals of the time but by 1937 the ballet had become a tradition of the College and more of a spoof of classical ballet.
